

Heavenly Father, in your hands are the souls of the living and the dead.

Remember, oh God, we pray for the soul of our departed comrade and that you conduct it into the place you have prepared for it in your Heavenly Kingdom.

Bestow your blessing and extend your healing power to those of our comrades who are still suffering from the tragedy of war.

Lift up the hearts of those burdened with sorrow. Unto your name be all honor and glory, now and forever. AMEN!
